

# C E R T I F I C A T E

for the quality assurance system for the manufacturing of pressure equipment  
**Modul H**

Certification body No. 3258 of the company TÜV NORD Czech, s.r.o. accredited by ČIA, certifying a complete quality assurance system and acc. to Directive of the European Parliament and of the Council No. 2014/68/EU, (GR No. 219/2016 Coll.), hereby confirms that the company

**DOOSAN Škoda Power**

**Doosan Škoda Power a.s.**  
**Tylova 1/57, Jižní Předměstí**  
**301 28 Plzeň**  
**Czech Republic**

operates a quality assurance system for the manufacturing of pressure equipment in accordance with the requirements of the above mentioned Directive and will be assessed for conformity with the above mentioned Directive within the 3 year term of validity of the certificate.

Scope

**Design and manufacture of emergency stop valves. Design and manufacture of pressure vessels.**

- **Production site: Doosan Škoda Power a.s., Tylova 1/57, Jižní Předměstí, CZ - 301 28 Plzeň**

**Design and manufacture of piping**

- **Production site: Constructions Doosan Škoda Power a.s.,  
Headquarters Doosan Škoda Power a.s., Tylova 1/57, Jižní Předměstí, CZ - 301 28 Plzeň**

Certificate Registration No. 3258 2023 52 0042

Audit report No. 2154/2023

Previous certificate valid until 17.07.2023

Validity from 21.08.2023

Validity until do 17.07.2026

Initial certification 2017

Notice of the scope of Quality System approval for pressure equipment acc. to Directive of the European Parliament and of the Council No. 2014/68/EU, (GR No. 219/2016 Coll.)

| Pos. | Description of equipment / Assembly | Applied Standards | Materials <sup>1)</sup> | Welding processes <sup>2)</sup> | Restrictions |
|------|-------------------------------------|-------------------|-------------------------|---------------------------------|--------------|
| 1    | Emergency stop valves               | EN 13480:2018     | 1.1 - 1.3               | 111                             | N/A          |
| 2    | Piping                              | EN 13445:2021     | 3.1 - 3.3               | 136                             |              |
| 3    | Pressure vessels                    |                   | 5.1 - 5.4               | 141                             |              |
|      |                                     |                   | 6.1 - 6.4               | 142                             |              |
|      |                                     |                   | 8.1                     |                                 |              |
|      |                                     |                   | 8.2                     |                                 |              |
|      |                                     |                   | 43                      |                                 |              |

--- End of the list ---

Ing. Libor Laňka  
Notified Body No. 1221  
TÜV NORD Czech, s.r.o.

Praha, 15.01.2025

Notified Body No. 1221 hereby certifies that the manufacturer has established a quality assurance system for the manufacturing of pressure equipment acc. to Directive of the European Parliament and of the Council No. 2014/68/EU, (GR No. 219/2016 Coll.). The manufacturer is entitled to mark the pressure equipment produced within the range of the quality system with the following mark:

**CE 1221**

Notes:

- 1) Material groups acc. to CEN ISO/TR 15608
- 2) Welding processes acc. to EN ISO 4063
